LETTER FROM THE COUNCIL CHAIRPERSON

Welcome students, parents, teachers, coaches, administrators and supporters to the 83rd annual Student Speakers Contest hosted by the Lions of California known as Multiple District 4. On behalf of the Council of Governors 2019 - 2020, I welcome you to this year's contest and our challenging topic:

Homelessness in California; What is the Solution?

The Student Speakers contest was designed to bring the lions of California together to support students and challenge them to consider topics of importance to them, their community, their state, nation and world. Over the years it has grown from a small contest with some recognition to the students to a large contest with substantial scholarships available to the contestants. I did not say winners because this experience and development of skills in presentation and organization of thoughts and materials make all the speakers winners. These skills are some of the things that make our future leaders.

We are sure that this contest will be interesting and challenging to all that involved. A special thank you needs to be given to hundreds of Lions and non-Lions who make this contest possible from club members, to judges, to tellers, timers, score keeps, contest leaders and especially students, teachers, parents and coaches throughout California who make the contest possible.

The Lions of California proudly say:

We Serve

Each year, the District Chairpersons are invited to attend the August Council of Governors meeting to participate in the selection of the contest topic for the year. In addition, the MD-4 committee reviews all of the materials used for the contests and welcomes suggestions from the District Chairpersons as to any revisions that should be made.

The District Chairpersons are to encourage Lions in their District to submit topic suggestions prior to the August COG meeting on the MD-4 website, [www.md4lions.org](http://www.md4lions.org)

The District Chairperson is responsible for training the Club, Zone and Region Chairs. The training is usually held at the Fall District Meeting.

All Contest materials will be mailed directly to the Club Chairs in October.

2. In all competitions a penalty of 2% for each judge's score shall be imposed for each minute or fraction thereof by which the speaker's talk is less than 5 minutes or more than 10 minutes. After deducting any penalties on timing, the Tellers shall designate the places earned by the various speakers on each judge's Worksheet, such as 1st, 2nd, 3rd, etc., using an OFFICIAL TELLER'S WORKSHEET.
3. When this has been done, the Tellers will add the total number of first places for each speaker, and the one who had earned the majority of first places shall be declared the winner.
4. If no speaker has a majority (over one-half) of the first places, the Tellers will then total the places earned and the contestant with the lowest total of places earned will be declared as the winner.
5. In the event they are tied with the same total of places earned, the tie shall be settled by adding the scores of the tied speakers, and the one with the highest total of such scores, after deducting time penalties, shall be declared the winner of the contest.
6. In the event they also tied with the same percentage scores, the tie shall be settled by using the Timers worksheet and awarding the contest to the speaker who comes closest to, without going over, the maximum ten-minute limit. That person shall therefore be declared the winner of the contest.

7. The contest Chairperson shall review and verify the Teller's worksheets before announcing the results.
8. **Under no circumstances should anyone but the winner be announced. All students not winning should always be considered finalists.**

## **CERTIFICATES**

1. One type of certificate will be used for presentation to judges and contestants at all levels.
2. It is recommended that certificates be typed or professionally printed and placed in presentation folders in advance of the contest. Certificates and templates can be electronically acquired through the MD-4 website. After judging has been completed indicate the level of the contest and "Winner" or "Finalist" on the line in the lower right hand corner of the contestant's certificate.
3. Twelve certificates are included in all Club packets. If additional certificates are required, please call the MD-4 Office or download from the website. ALWAYS USE THE OFFICIAL CERTIFICATE.

## **AFTER THE CONTEST (CHECK WHEN COMPLETED)**

\_\_\_ 1. Make sure the Teller's Worksheet is completed in its entirety including the name of your Club, Zone, Region, District or Area, whichever is appropriate.

\_\_\_ 2. Send the Teller's Worksheet, Judge's Worksheets and contest Winner's Notification form along with any unused printed material to the Chairperson of the next level contest.

\_\_\_ 3. Zone, Region, District and Area Chairs upon receipt of the above material send a photocopy of the form letter of congratulations to the contest winner.

\_\_\_ 4. At least two weeks before the prior level contest send the original form letter of congratulations to your prior level chair. In the letter give the date, time, place and reservation requirements. Example: A Club contest is scheduled for February 18. The Zone Chair sends the form letter to that Club Chair by February 4 to be given to the winner of that contest.

\_\_\_ 5. The scores given by the judges for an INDIVIDUAL STUDENT may be given to that student or the student's speech coach. Do not identify the judges or disclose the scores of the other students.

\_\_\_ 6. The Club Chairperson shall present the Student Speakers handbook to the winner at the conclusion of the Club Contest.

## **HISTORY**

### **BY PAST INTERNATIONAL DIRECTOR DWIGHT STANFORD**

When District 4 was split up into five Sub-Districts in 1937, Fred Smith (later International President) became the first District Governor of District 4-C. His District ran from Stockton down to the southern end of the San Joaquin Valley and included the coast Area from Paso Robles through Oxnard. He realized that the Clubs in his new District had nothing more in common than they did with the Club in San Francisco or San Diego. He expressed his thought to the other officers in his District and asked for suggestions. One of his Deputy District Governors, Frank Colston, superintendant of schools in Oxnard, suggested a student speaker contest for high school students in the District. The idea was approved as something that would give all the Clubs in the District something in common and hopefully, would bring them closer together as a unit. From that we are told, the contest was a great success.

The following year, James Hodges, District Governor from Covina, proposed to the Council of Governors that Fred's speech contest become a project for all of District Four. The proposal was adopted and the contest has been one of our District's principal projects ever since. During the past sixty years, many groups and Clubs have followed our lead by engaging in joint service activities. It is one of the stars in our MD-4 crown.

In the beginning the Student Speaker Foundation was organized by Don Snyder, District Governor of 4-A3, 1958-59 who first asked PIP Fred Smith and then International Director Dwight Stanford to join him as the organizers and first directors of the Foundation. Don did all the work getting IRS and California taxing authorities approval. He is now a lifetime, honorary director of the Foundation, as is Dwight Stanford.

The Foundation's first cash came from the profits of the Lions Goods Store at the MD-4 convention. District Governor Al Mendel of Apple Valley, 1961-62, ran the store and suggested the gift. The first few years of the Foundation were a bit thorny. It was hard for the organization to collect money when it had very little prestige. Gradually the situation changed and the Foundation began to supplement the prizes which heretofore had been paid for entirety out of the MD-4 budget. Foundation funds come entirely from voluntary donations and income from the accumulated assets.

Past International President Fred Smith was the first President of the Foundation, followed by Past International Directors Dwight Stanford and Robert E. Anderson. Past District Governors Seeley J. Kondris, George "Jake" Jacobssen served between 1994 and 2002, Gordon Wellman served between 2002 and 2005, PDG Al Ohrmund served between 2005- 2012, PDG Ken Sherwood served between 2012-2015, PCC William Dunlevy served 2015-2016 and the current president is PDG Chris Ohrmund.

For the 2019-2020 Contest, the Foundation will provide all of the prizes above the Region level, as it has done now for many years. Each of the 15 District winners will receive a \$4,500 scholarship. The four Area winners will each receive an additional \$6,500 and the final MD-4 winner another \$10,000. For the latter, the total accumulated scholarships will be \$21,000 and the other three Area winners will have \$11,000 each. Total scholarships awarded in the Contest amount to \$103,500; all from the Foundation.

# STATEMENTS FROM THE 2018-2019 STUDENT SPEAKER MD-4 FINAL CONTEST

## MD-4 CONTEST WINNER Arron Hall — Area 1

*“The only way to get better is to surround yourself with people who believe in you.”*

*-Anonymous*

*Throughout the years, I have learned so much from competing in the Lion’s Club Speech Contest. It has increased my interest in the Constitution and Government in a way I would have never imagined. But more importantly, the contest was an opportunity for me to build relationships with those in my community. Over the years, the North Fork Lion’s Club has become more than just an organization to me. They have become mentors and supporters who treat me like family—encouraging me even on the baseball field, not just speech contests. These individuals have shown me the kind of effort it takes to make a club and more importantly the community around you better—they lead the community through their authenticity. No matter where I was, Lion’s members were always bringing their past experiences to the table allowing young students such as myself to learn. It is one of the reasons why I believe Lion’s Club International is an excellent organization. They take the strengths of everyone around them to collaborate into making the community and regions around them better. Students such as myself are blessed to have such a wonderful organization in our corner even though many don’t realize it. For the rest of my life, I will cherish the relationships, memories, and individuals the Lion’s Club Speech Contest has provided for me.*

*This year’s topic on the Freedom of the Press and its meaning challenged me to think critically and expand outside of my usual train of thought. It allowed me to dive in deeper to the founding principles of democracy and what allows our country to keep its freedom. But most importantly, this topic taught me how to agree to disagree—a lesson this generation could benefit from. I can not thank the Lion’s Club enough for the opportunity to learn these lessons and compete in this speech contest.*

**MD-4 CONTEST FINALIST**  
**Paul Leoni — Area 2**

*“Hello, my name is Paul Leoni and I am from the Petaluma 7-11 Lions Club. This year I had the opportunity to participate in the Lions Student Speaker Contest. When I first glimpsed at the topic “Freedom of the Press: What does it mean?” I was propelled along one of the most memorable and fulfilling journeys of my life.*

*The Student Speaker Contest not only contributed to my growth as a public speaker, but also as an individual. Over the course of the contest, each of my peers took different directions while discussing freedom of the press; it was fascinating to see how one topic could be interpreted and conveyed to an audience in various distinct ways. By listening to my fellow speakers and delivering my own ideas on the prompt, I grew as a public speaker and developed a deeper understanding of the role the press plays in today’s society. I also learned how to formulate multiple sources of evidence into one concise and persuasive argument.*

*Furthermore, I witnessed first hand the kindness and dedication that members of the Lions club possess. By providing students with a forum to discuss the vital issues facing the world today, the Lions Club inspire youths, such as myself, to take an active role in society. The Lions reflect the dedication, hard work, and kindness I hope to express throughout my life. The generosity of the Lions Scholarship Foundation will also support me greatly throughout my academic career and future endeavors.*

*For these reasons, I am grateful for the unforgettable opportunity I received from the Lions Club, Multiple District Four, and Petaluma 7-11 Lions Club. The support and generosity I have witnessed throughout the contest has allowed me to grow as a student and individual. I am also thankful for my parents and siblings, who without them, I would not be the person I am today. When looking back on this journey, every memory of the contest inspires me, and I am forever grateful.”*

**MD-4 CONTEST FINALIST**  
**Rachael Bean — Area 3**

*My experience in the Lions Club contest was initially one of surprise. As a competitive public speaker for the National Speech and Debate association, my coach Iain Lampert gave myself and my teammates the opportunity to compete in the Lions Club Speakers Contest as a way of warming up, to continue to hone ourselves as speakers. I personally was one of the only ones who took this opportunity and found myself appreciating that decision more and more at every turn.*

*The first night I won the contest, I was shocked. I always considered myself a good public speaker but my confidence in my abilities was low compared to others in the room. However, the faith that I lacked in myself, I had in my speech. I still, to this day, consider the speech I wrote for this contest to be one of the finest out of the many I have written. Every time I performed it, my love for it grew, and I can proudly say that I was one of the California state finalists for the Lions Club.*

*As I continued to advance, I found not only my footing as a speaker, but also a vibrant, loving community that had my back as I moved forward. The West Valley Lions Club showed me support, strength, and compassion as if they had known me my entire life. This competition would not have been the same without them.*

*In conclusion, this experience is one that I will cherish for a very long time, and one that has shaped and will continue to shape my academic career for years to come. I deeply encourage anyone who reads this to put yourself out there and compete in the Lions Club Student Speaker Contest; maybe it will change your life like it changed mine.*

## MD-4 CONTEST FINALIST

### Justin Yeh — Area 4

*If you've ever heard me speak, then you'll know exactly what I mean when I say that I like to start with a bang.*

*My journey with the Lions Club started two years ago, when my Mock Trial advisor Mr. Barone first introduced me to this competition. At the time, the prospect of memorizing and reciting a ten-minute speech scared me, and I had no intention of attempting this gargantuan feat. I never pictured myself joining this competition, much less advancing to the finals. It's unfathomable to consider the idea that, had I not received encouragement from the most supportive team of people, this incredible opportunity would have slipped right through my fingertips. My gratitude for those who have played a pivotal role in my journey with the Lions cannot be contained within these short few paragraphs, though I'll certainly give it a try.*

*For two years, the Monterey Park Dynasty Lions Club has believed in me and acted as my sponsoring Lions Club, providing endless feedback on my performance. Members of my school administration (special shout out to Dr. Kenfield) have followed me to every competition, regardless of how far. I know that I can always look forward to seeing Gino Kwok and his trademark can't-miss-me-in-these-pants pants. His support, dedication, and investment into my progress have been unbelievable.*

*I must also commend my fellow competitors for making this overall experience such a memorable one. As I entered every round of competition, I was met with not rivalry but friendliness and open arms. Of course, I wouldn't be where I am today without the support of my family—their endless words of encouragement gave me the motivation I needed to continue on in every round. Most importantly, I owe my gratitude to the entirety of the Lions Club for giving young adults such as myself a platform on which we can express our thoughts and be heard.*

*Throughout this competition, I've been fortunate enough to hear dozens of speeches, all of which offer such different perspectives into the same topic at hand. Ultimately, that has been my favorite part of this competition: learning something new. Along with my own research, listening to everyone's speeches has given me such great insight into both national and global issues that need to be addressed.*

*It has truly been an honor competing among some of the brightest young minds in California, and I look forward to hearing about the accomplishments from the next wave of orators who enter this amazing competition.*
